Dear Prospective Member,

Thank you for your interest in the Northampton Senior Fitness Center. The Fitness Center operates from 8:15am – 4:00pm Monday through Friday.

Enclosed you will find information on membership opportunities for the Fitness Center as well as important information on membership policies. Memberships are available to Northampton Seniors age 60+, Northampton residents ages 55-59 and non-Northampton Seniors 60+ years.

All new members are required to have an orientation to the Fitness Center on the 16 pieces of strength training and cardio equipment to ensure the safety of the participant and the care of the equipment. Once you have completed your paperwork you will be called to schedule an appointment to be oriented on the use of the equipment. If you have been a previous member of the Fitness Center, but it has been over eight months since you've been in, you will need to complete all new paperwork and have an orientation on the equipment.

Thank you for your interest in our Fitness Center. We believe you will have fun while at the same time maintaining a healthy routine in your day!

Patricia A. Shaughnessy, Director

Fitness Center Information

Membership Fee for a Northampton Senior (60+) \$10 per month

Members may pay for any number of months

Membership Fee for a Northampton Participant (55-59) \$15 per month

Members may pay for any number of months. Cost will be adjusted for month participant turns 60.

Membership Fee for a non-Northampton Senior (60+) \$15 per month

Limited to 25 non-Northampton Senior participants.

Availability reviewed on an ongoing basis.

Important Payment Information

- Your first months' payment will be an adjusted portion of the monthly cost stated above. However, if you join on the first week of the month, payment for the entire month is due. Thereafter, monthly payments will be due on or before the 1st of every month
- We do not pro-rate memberships for time you are away for any reason.
- Your Health Insurance provider may pay for all or some of the cost of your membership to the Fitness Center. Check with your provider to see if they offer this benefit. When paying for your monthly fee, a receipt will be issued. Please keep this receipt for insurance purposes. If requested, an official accounting on letterhead will be furnished. Expect up to 5 to 10 days for this certificate to be provided.
- Please make checks payable to the **Northampton Council on Aging**.

Benefits of Membership

Members will have an orientation to all their physician-approved equipment. Members will also have the use of lockers for the storage of personal items during their workouts. The Senior Center is not responsible for lost or stolen or unattended personal items. Members will enjoy a non-judgmental environment in the company of their peers. Plenty of free and accessible parking is available.

Northampton Senior Fitness Center process to join

1. Carefully read and complete all forms. Physician's sign-off form may be faxed to NCOA 413-587-1233. Please note that the Senior Center operates it as a Fitness Center and not as a Rehabilitation Center.
2. Return completed forms only to Senior Center. Please keep informational forms for your files.
3. Forms will be reviewed. If all forms are complete, including the Physician's form, you will receive a phone call from the Senior Center to schedule an orientation appointment.
4. If we receive your Physician's form by fax or mail, we will contact you to let you know.
5. The membership fee is due prior to your orientation. A Senior Center scan card is required to sign in. Please request a scan card at the reception desk. Your orientation will last 45 minutes to an hour. During the orientation, your machine settings will be determined and suggested starting weights, times, etc. will be discussed. Please ask questions!
6. There is a Fitness Center staff person on duty for limited hours most days for orientations and review. Please check the hours at the

reception desk as they may change week to week. Current members using the fitness center are also a great resource if you forget how to adjust a seat or set your weights.

Participant's Agreement with the City of Northampton

I, _____, hereby acknowledge that the activities offered through the Northampton Council on Aging can be strenuous and have the capacity to exacerbate existing conditions, to cause injury or death. I hereby certify that I do not suffer from any condition which would preclude me from engaging in the activities of the Northampton Council on Aging and that my answers to the questions set forth are true, complete and accurate. I have been advised to seek the advice of my physician to ascertain whether or not I should participate in the programs offered by the Northampton Council on Aging, and to the extent that I have so inquired of my physician, I have been cleared to participate. In consideration of allowing me to participate in the programs offered by the Northampton Council on Aging, I hereby release and forever discharge the City of Northampton, its' employees, agents and officials of and from any liability for any personal injury or death that I may suffer arising out of my participation in a program. I further covenant that I shall not sue and that I shall not suffer or permit any suits on my behalf to be filed for any claims arising out of my participation in the programs offered by the Northampton Council on Aging. This agreement shall be binding on my heirs, assigns, executors, administrators, and other representatives.

Fitness Center Policies & Agreement

- Members must obtain a Senior Center scan card to sign in and schedule an appointment for an orientation to the Fitness Center and the 16 pieces of strength training and cardio equipment.
- If you have been a previous member of the Fitness Center but it has been over 8 months since you have participated, you must submit new forms:
 - Fitness Center Policies & Agreement
 - Participant's Agreement with the City of Northampton
 - Health Questionnaire
 - Physician's authorization
 - Lockers with locks are provided for member use while in facility
- Please refrain from wearing strongly scented lotions, colognes or aftershaves in the Fitness Center.
- **Clean, appropriate footwear is to be worn during exercise. The shoes you wear to the Senior Center should not be worn in the Fitness Center. Athletic shoes are required. No boots or open toe or back shoes are allowed. This is a year-round requirement.**
- The NCOA is not responsible for members' personal possessions such as wallets, keys or jewelry. Please leave valuables at home. Lockers with keys are available for your convenience to use during your exercise workout.
- Beverages must be in a closed plastic container only. No food products in the Fitness Center.
- Members are responsible to wipe down equipment after use with towels and cleaners provided.
- **Members should be flexible with their exercise routine. Cardio equipment such as the bicycles, treadmills, elliptical trainers and ergometers should not be used for more than the default time (20 minutes) during peak Fitness Center hours. Peak hours are considered to be, but not limited to, Mon., Wed., and Fri. from 8:15am to 11:00am. If you are waiting for a cardio machine, let the person using it know you are waiting for it. Members who willingly monopolize cardio equipment may have their membership revoked.**
- Members should adhere to the Senior Center Code of Conduct. Membership fees are to be paid in advance of using the Fitness Center. Nonpayment or non renewal means a participant does not have access to the Fitness Center.
- Personal trainers, physical or occupational therapists are not permitted to accompany a member in the Fitness Center.

By signing below I agree to abide by the above policies for the Fitness Center.

Northampton Senior Center Fitness Center

Cardio Equipment

- All cardio equipment is outfitted with integrated contact heart rate monitors.
- Large easy to read monitors deliver various options including time, speed, distance, calories and target heart rate.
- All cardio equipment has a 400 pound weight capacity.

Treadmill

- Extended deck and extended arms aid in mounting and dismounting while providing more support during workouts.
- Large emergency shut-off button also attaches to the user.

Elliptical

- 21" stride accommodates all body sizes for a comfortable, efficient and natural workout.

Recumbent Cycle

- Ergo Form(TM) seat and back pad for additional support.
- Step-through entry for easy mounting.
- Low-watt starting workload is ideal for beginning, rehab, or deconditioned users.

Upright Cycle

- Standard and race-inspired handles feature contoured elbow rests for comfort and enhanced ergonomics.
- Low-watt starting workload is ideal for beginning, rehab, or deconditioned users.

Upper Body Ergometer

- Standing or seated upper body work in both forward and reverse directions.
- Fully wheelchair compatible.
- The fluid technology variable resistance system uses a twin-chamber tank.
- Rotating paddles act on water in the outer chamber to provide resistance.

Weight Machines

- All weight machines have a minimum starting weight of 10 lbs. Weights may be added in 2½ or 5 lb. increments.

Chest Press

- Primary muscles: Pectoral.
- Pressing arm adjusts so users can determine their own range of motion.
- Overhead pivot provides a more natural pattern when compared to lower pivoting units.
- Oversized dual hand grips provide greater comfort and variety.

Shoulder Press

- Primary muscles: Medial and posterior deltoids.
- Pressing arm includes both bar and neutral grips for user's individual preference or anatomical limitations.
- Range of motion is adjusted with the use of the seat position.
- Oversized handgrips provide greater comfort and variety.
- Counterbalanced pressing arm lets deconditioned users develop overhead lifting strength.

Lateral Pull Down

- Primary muscles: Lats.
- Thigh pads easily adjust to provide both stability and comfort.
- Straight bar with angled ends ensures correct arm and wrist position throughout the entire range-of-motion.
- Adaptable for standing triceps press exercise.

Arm Curl

- Primary muscles: Biceps.
- Arm pad is angled for stability, and limits unwanted shoulder movement during exercise.
- Pivot is positioned for proper alignment.
- Angled hand grips reduce the incidence of wrist strain.

Triceps Extension

- Primary muscles: Triceps.
- Seat and upper-arm pads are angled to enhance user stability during the exercise.
- Handle pivots to automatically adjust for varying forearm lengths and mistakes made during exercise setup.
- Axis of alignment is clearly marked to encourage correct alignment.

Leg Press

- Primary muscles: Quadriceps, hamstrings and gluteals.
- Four-bar linkage enhances alignment and provides variable resistance.
- Arcing path of motion is a more natural motion, decreasing the detrimental forces at the knee.
- Large non-skid footplate accommodates varying goals and users of all sizes.
- Adaptable for gastrocnemius and soleus exercise.

Ab Machine

- Primary muscles: Upper abdominals.
- Chest pad with contoured edges and hand grips are configured for user comfort.
- Adjustable pressing arm allows users to determine their own starting positions.

Back Extension

- Primary muscles: Erector spinae.
- Adjustable non-skid footrests provide secure and proper positioning.
- Pivot position promotes the coordinated function of the hip and lower back muscles.
- Lower back reference pad enhances alignment.
